

- Many of colour variation
- High quality and low cost
- The Dual type is adopted to the division attachment
- Passed the UL (OFNR) combustion test
- RoHS compliant and eco-friendly type

RoHS compliant products  
(Certification of Compliance of Mineral or Industrial)

Regularly SM fibers are SMF-28 fiber of Corning Incorporated's company

Product name of single code

P / S - □□ / □ - □□ / □ - □□ - □□ m - ※

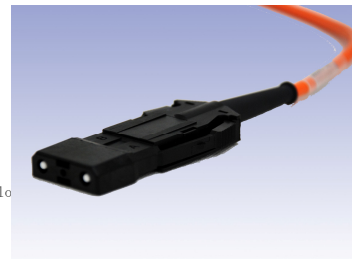

①A Side connector    ②B Side connector    ③Fiber type    ④Length    ⑤Colour

adaptable to ESCON connector

Product name of double core cable of two paths

P / D - □□ / □ - □□ / □ - □□ - □□ m - ※

①A Side connector    ②B Side connector    ③Fiber type    ④Length    ⑤Colour

Product explanation

- ①②Type of polishing/connector  
 type) SC SC2 FC LC MU ST MT-RJ E2000 ESCON 00 (without connector) Type of polishing /P (PC type) /S (SPC)  
 /U (UPC type) /A (APC type)
- ③Type of Fiber  
 SM (SM9. 2/125:OS1) 50 (G150/125:OM2) 51 (G150/125:OM3) 62 (G162.5/125:OM3)
- ④Length  
 Overall (m)
- ⑤Colour  
 Please consult us about code colour.
