- This product is an affordable price to buy!
- Adequate for the FTTH construction and Optical Lan construction

Mirror Co. Fiber stripper	
Product name	Miller CFS-2
Range of use	0.25mm cores coding remover
Reference price	5,000 yen (without tax)

Reinforcement for Fusion sleeve/Silicon tube

Fusion sleeve for single sleeve		In stock
Product name	Single core fusion sleeve L=40mm	
Range of use	Single core line	
Unit	50 pieces/per packet	

Fusion sleeve for single~8 mode		In stock
Product name	Fusion sleeve L=40mm	
Range of use	Single core~8 cores	
Unit	25 pieces/per packet	

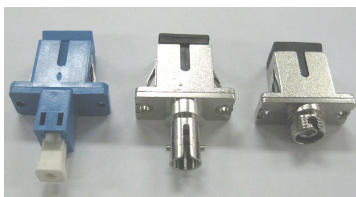

Silicon tube		In stock
Product name	Internal diameter = ϕ 2.5 silicon tube	
Variety	for 2 cores tape 8 colors/per packet for 4 cores tape 5 colors/per packet	
Length	Standard= 1m (enable to select the length)	

※those 10 colors of silicon tube are enable to cut by any length
※Spiral silicon tube is incoming order production.

Optical fiber measurements

Variety of adapters

Cletop S	
Product name	A type B type
Type	For SC, FC, ST For LC, MU, MT-RJ
The number of polishes	More than 400 times

In stock

Ethanol (absolute alcohol) 500ml

In stock

NEOCLEAN-E	
Product name	ATC-NE-E2 ATC-NE-E1
Type	SC, FC, ST LC, MU
Cleaning	700 times

New

Both of jack and plug are enable to clean up
Skillful exchange cartridge
